

22 April 2024

Dear Parents and Carers,

Can you believe that the time is already upon us for the children to take their SATs tests? On the week beginning Monday 13th of May 2024, the children will be taking their tests which will take place in the mornings from Monday to Thursday of that week. It is really important that the children have had breakfast and have a good night's sleep the day before each of the tests. As a result, we would like to offer the children a breakfast club during this time so that they are in school early and can get themselves settled and have time with friends. We will be providing toast with a selection of toppings and drinks from 8.00am each morning. This will be a free breakfast club for **Year 6** this week. We would love for all the children to join us.

For your information, we have attached the SATs timetable below.
