

School Trip to Sustainability Centre.

Dear Parents/Carers,

We have an amazing hands-on learning experience available for the children in Year 3!

As part of our Geography Topic, we will be learning about minibeasts, how to make a clay oven and surrounding ourselves in nature. Even though our curriculum will be interesting and engaging in school, children always remember the experience of going on a school trip. Therefore, we would like to take Year 3 to the **Sustainability Centre** which is home to a variety of wildlife and has opportunities for the children to engage with the natural environment in creative ways.

The trip will be on:

3W – Monday 15th July 2024

3S – Wednesday 17th July 2024

3T – Monday 22nd July 2024

To keep the children safe on the trip, please make sure your child is wearing trainers, has something to cover their legs as we may be in long grass. Weather permitting please make sure they have applied suncream, have a bottle of water and a hat to protect them. If it is raining, please provide suitable footwear, which may get wet. Children will also need to bring a pack lunch. School will provide a packed lunch for any children who are entitled to Free School Meals

The Fair Share Fund will be subsidising the cost of this trip however, for this awe-inspiring trip to be possible, please may we ask that you contribute **£5** in cash or via Scopy by 1st July 2024.

Many Thanks
Miss R Shairp
(Lower Phase Lead)

Please return this slip to the School Office along with £5.

I give permission for:

Class:

to visit the **Sustainability Centre**.

I enclose £5 []

I have paid via Scopy []

Signed: (parent/carer)
