

10th March 2026

School Trip to Sustainability Centre.

Dear Parents/Carers,

We have an amazing hands-on learning experience available for the children in Year 3. Even though our curriculum will be interesting and engaging in school, children always remember the experience of going on a school trip. Therefore, we would like to take Year 3 to the **Sustainability Centre** which is home to a variety of wildlife and has opportunities for the children to engage with the natural environment in creative ways.

The trip will be on:

3S and half of 3B – 13th April 2026

3J and half of 3B – 14th April 2026

To keep the children safe on the trip, please make sure your child is wearing trainers, has something to cover their legs as we may be in long grass. Weather permitting please make sure they have applied suncream, have a bottle and a hat to protect them. If it is raining, please provide suitable footwear, which may get wet. Children will also need to bring a packed lunch. School will provide a packed lunch for any children who are entitled to Free School Meals but please provide them with a drink (**no glass bottles, cans or fizzy drinks please**). **Free School Meal children who do not require a school packed lunch, please tick the relevant box below.**

The Fair Share Fund will be subsidising the cost of this trip however, for this awe-inspiring trip to be possible, please may we ask that you contribute **£5** via Scopay or cash to the school office by 27th March 2026.

Kind Regards

Miss Romany Shairp

Lower Phase Lead

Please return this slip to the School Office by 27th March 2026.

I give permission for: to attend the **Sustainability Centre**.

I have enclosed £5 []

I have paid via Scopay []

My child is entitled to Free School Meals but **DOES NOT** require a packed lunch ordered []
