

## New Month, New Skills!

### Celebrating National Numeracy Week.

### From Homework to Daily Life

### Numeracy Made Easier.

#### The Language of Maths

How many ways are there to say 'add'? Is 'minus' the same as 'deduct'? Come along to the language of maths workshop and discover the different ways we incorporate maths in our daily lives.

**Free Workshop**  
**Tuesday 9:30am - 12:00pm**  
**19<sup>th</sup> May**

#### Chocolate Fractions

Discover fractions in a fun and tasty way through the wonder of chocolate! This interactive workshop uses chocolate as a hands-on learning tool to help you understand fractions in a clear, practical, and enjoyable way.

**Free Workshop**  
**Wednesday 9:30am - 12:00pm**  
**20<sup>th</sup> May**

#### Money - Go - Round

This practical and engaging workshop explores how to make your money go further. You'll investigate everyday money matters such as budgeting, comparing prices, planning spending, all in a relaxed and supportive learning environment.

**Free Workshop**  
**Thursday 9:30am - 12:00pm**  
**21<sup>st</sup> May**

#### Shaping Up!

This practical and interactive workshop explores 2D and 3D shapes and how they appear all around us in everyday life. Learners will investigate common shapes found in homes, workplaces, nature, and design, developing a clear understanding of their properties, uses, and importance.

**Free Workshop**  
**Friday 9:30am - 12:00pm**  
**22<sup>nd</sup> May**

These courses will take place at

The Learning Place, 6 Derby Road, North End, PO2 8HH.
