

28 September 2026

Dear Parents

Our Harvest Festival celebrations will be taking place in school on **Tuesday 13th October 2026**.

Children from all year groups will be participating in our special Harvest assembly, sharing songs and harvest stories from around the world.

Once again, we are delighted to support The North End Pantry (formerly The Portsmouth Food Bank) which is a wonderful resource in the north of the city that creates a sustainable and long-term solution to food poverty by offering choices and dignity to families in need of some extra support. Becki Bickerton from The North End Pantry will be a guest at our assembly.

Children are invited to bring any contributions into school to form our Harvest display from **Wednesday 7th October 2026**. We fully understand that this year, more than any other, our families are feeling the cost of rising prices. Anything you can spare from tea, coffee, tins, jars, pasta and rice, no matter how small would be gratefully received.

Yours sincerely

Mrs J Cooper
Headteacher SIS
