2nd October 2026

Dear Parents and Carers,

As part of our PSHE curriculum and school ethos, we very much believe in the British Values of Democracy, Individual Liberty, Rule of Law, Mutual Respect and Tolerance of Others of Different Faiths and Beliefs. To show our support for this, we are going to ask the children to wear red to school on Friday 16th October to show their support for 'Show Racism The Red Card'.

This is a National initiative and charity routed in the game of football that seeks to rule out any form or racism in the wider world outside of football. It aims to foster tolerance and develop a love and curiosity of difference.

We hope you are able to support your child wearing red on this day so we can say no to racism as a school community, where kindness is the value we promote among our children.

Kind regards

Miss Bushell
