Dear Parents and Carers,

We are excited to continue our **Reading Challenge** and would like to take this opportunity to remind families about how it works. We would also like to ensure that any new families are aware of the challenge and how their child can take part. Reading regularly is one of the most important ways to support your child's learning, helping to develop vocabulary, comprehension, confidence, and a lifelong love of books.

How the Reading Challenge Works

- Every day your child reads, they earn **one point** towards a prize.
- The more days your child reads, the more points they collect and the more prizes they can earn.
- Reading can include books, magazines, comics, e-books, or sharing a story with an adult.

Important Reminder

To ensure that reading points can be counted:

- Reading records **must be signed and dated** by a parent, carer, or guardian.

We greatly appreciate your support in encouraging your child to read regularly at home. Just a few minutes of reading each day can make a huge difference to their progress and enjoyment of learning.

Let's work together to make reading a daily habit and an enjoyable journey for all our children!

Thank you for your continued support.

Kind regards,

Miss R Shairp
English Lead
