Children In Need – Friday 13th November 2026

It is that time of year again when children around the country take part in events to help raise money for children less fortunate than themselves. As a school, we would like to take part in this event and offer our support for such a worthwhile cause. To keep it nice and easy, and so that all children can take part, we are going to ask that the children come to school wearing either pyjamas, fancy dress or a Pudsey related outfit. We are asking that you send in a £1 donation to support the valuable work the charity does if you are able.

Throughout the day, we will also discuss with the children the importance of supporting the charity and how the money that is raised is used. I hope your child will join us to show their support and understand why this year, again, the charity is relying on donations such as ours.

In addition to this, it is also World Kindness Day on the same day so we will also be doing some work around this with the children, as being kind is part of our school motto.

Anti-Bullying Week 2026

The following week 16th-20th November is Anti-bullying week. This is a time for the children to be able to reflect on what they can do to be kind and how we can support and empower them to speak out against any form of bullying. To show our support for this, we will ask the children to wear odd socks to school on Monday 16th November. The odder they are, the better.

Thank you for continued support.

Kind regards

Miss A Bushell
Year 6 Teacher
